ABOUT ME

As a Junior Web Developer my aim is to build and maintain custom websites with responsive designs and effective functionality. Being a recent graduate, I am proficient in various programming languages and I strive to learn more every day.

EDUCATION

- WEB ENGINEERING**
School of IT / Somerset West / Western Cape
2021
- HUMAN RESOURCES MANAGEMENT**
University of Stellenbosch / Stellenbosch / Western Cape
2020-2020
- MATRIC CERTIFICATE**
Paarl Boys High / Paarl / Western Cape
2014 - 2018

WORK EXPERIENCE

- PHARMACY STORE ASSISTANT**
Gys Smit Pharmacy / Paarl / Western Cape
January 2016 - July 2016

My day-to-day operations consisted out of assisting customers and handling medical accounts, displaying merchandise, counting tablets by the dispensary and working the cash register.
